Terms and conditions:

1. General:

The following terms and conditions shall apply to all orders. Deviations therefrom shall only be binding if they have been accepted by us in writing.

2. Prices / Discounts:

The list prices apply. We reserve the right to adjust the prices at any time if there are important reasons.

The quantity discount is calculated from the amount of the total quantity delivered of all article groups. So that articles from different product groups can be combined with each other, each delivery item is weighted according to value and shown as a number of basis points per item. The weighting in basis points is noted in the price list after the price.

(f.e. MiniSpot-patches spruce 2 à 1'500 p. EUR. 169.52 / **2.7 base units**).

Total base units per position = Number of units delivered x no. of base units
(f.e. 9 JumboBox x 2.7 = 24.2 base points).

The total of the basis units per delivery results in the following volume discounts:

From: 12 base units	5 %
24	8 %
48	10 %
72	12 %
96	15 %

Conditions for larger purchase quantities on request.

Prices are in EUR, plus statutory value added tax.

3. Freight costs

The goods travel for the account and at the risk of the recipient. Shipments with a net value of goods of EUR 3,000.00 or more are free of postage. For express shipments or other shipping instructions, the surcharge will be invoiced.

To avoid a small quantity surcharge of EUR 10.00, a minimum order value of EUR 30.00 must be observed.
